 - Suggested later concert start time (6–8 PM) due to heat.
- ✓ . . **Additional Events:**
 - Planned throughout the year. Goal is to host 12 events per year.

Notes

- Some events require major planning (concerts).
- Some are lighter lift (art in the park, trick-or-treat booth).
- Board is open to brainstorming new events.
- Fall community event concept discussed (e.g., Fall Fest):
- Musical chairs
- Pumpkin decorating / Mum and pumpkin sales
- Further discussion planned for a future meeting.

6: Discussion: 2026 Fundraising Opportunities for 2026

- Multiple grant sources identified, including Dallas County Foundation and others.
- Concern noted about multiple local groups competing for the same grants.

Budget Planning & Standing Agenda Items

Board agreed to align meetings with annual planning needs:

- August: Review prior-year successes, park walkthroughs
- September: Initial budget planning
- October: Draft budget request
- November: Finalize budget
- December: Formal request to City Council

7: Potential Microsoft Funded Projects

- Microsoft funding focus areas:
 - Community technology
 - Community empowerment
 - Environmental sustainability
- Board discussed potential park-related projects that may align:
 - Native plantings and pollinator habitats
 - Stormwater management / bioretention areas
 - Trail enhancements and connections
 - Fitness stations along trails
 - Improvements around the school detention pond
- Acknowledged that Microsoft may fund portions of projects, not entire builds.
- Trail safety concerns raised regarding the F90–school connection.

8: Friends of Van Meter Parks and Recreation

- Discussed the possibility of adding Van Meter Parks and Recreation to corporate donation sites where team members of their business could donate to VMP&R and their company would match the donation. Tabled this topic for future discussion.

9: Spring Sport Update

- Iowa Sports Turf has been commissioned to seed and aerate the soccer fields this spring.
- With that, we will be shutting own the U12 field and the two U6 fields to the far west for practices. Will keep them open for games.
- Plan to raise the fees for 4th graders on up in hopes of using those extra funds to rent additional space for them.
- Looking at Casper Terrace which is 11B field.
- Convert the field at the Legion into a multi-use space.

Adjournment - Meeting adjourned at 7:34 PM.

Happy Monday Liz and Travis,

I am happy to inform you that the city of Van Meter's portion of the IAMU safety group insurance program dividend for the 2024-25 program policy term is **\$10,086.15**. This was the second largest dividend returned to members in the 46-year history of the program! Only bested by the dividend returned to program members in 2025. I would like to present the dividend check to the city at an upcoming city council meeting. Would I be able to do so at the 2/9/26 council meeting?

MEMORANDUM

Date: February 9, 2026
To: Honorable Mayor Herman and Members of the Van Meter City Council
From: Frannie Nielsen, Consultant Planner
Subject: Proposed Zoning Text Amendment – Variance Criteria

BACKGROUND

On April 25, 2025, the State of Iowa signed into law a bill concerning county and city regulation of real property and the powers granted to the Board of Adjustment. The bill introduces a new subsection Section 414.12, allowing boards to authorize variances in specific cases where strict enforcement of the ordinance would create practical difficulties for property owners. The variances can pertain to area, dimensional, or other numerical limitations, including minimum lot size, setbacks, and off-street parking, among others.

According to the new law, to obtain a variance, property owners must demonstrate that the difficulties they face are unique to their property and not self-created, and they must show that granting the variance will not significantly alter the character of the surrounding neighborhood. This legislative change aims to ensure that the spirit of the zoning ordinance is upheld while providing flexibility to property owners facing unique challenges.

The Van Meter Zoning Code states that “The regulations, restrictions and boundaries set forth in this chapter may from time to time be amended, supplemented, changed, or repealed, upon initial action by the Council ... provided, however, that no such action may be taken until after a public hearing in relation thereto, at which parties in interest and citizens shall have an opportunity to be heard.”

Below is a proposed Zoning Text Amendment to Section 165.25 to bring the Van Meter Zoning Regulations Ordinance into compliance with Iowa Law.

PROPOSED AMENDMENT

The proposed amendment is as follows:

Section 165.25 of the Code of Ordinances is amended by adding the underlined text and removing the ~~strikethrough~~ text as follows:

Chapter 165

Section 165.25 Board of Adjustment

2. Powers and Duties of the Board. The Board shall have the following powers, and it shall be its duty:
 - A. To hear and decide appeals where it is alleged there is error in any order, requirements, decision, or determination made by the inspector of buildings in the enforcement of this chapter.
 - B. ~~To grant a variation in the regulations when a property owner can show that his property was acquired in good faith and where by reason of exceptional narrowness, shallowness, or shape of a specific piece of property, or where by reason of exceptional topographical conditions or other strict application of the terms of this chapter actually prohibits the use of this property in a manner reasonably similar to that of other property in the District, or where the Board is satisfied under the evidence before it, that the granting of such variation will alleviate a clearly demonstrable hardship; provided, however, that all variations granted under this clause shall be in harmony with the intended spirit and purpose of this chapter.~~
 - B. To grant approval or conditional approval of a Variance. In granting approval or conditional approval of a Variance, the Board of Adjustment shall prepare written findings of fact of all the following review criteria:
 - (1) Practical Difficulties. Because of these special circumstances, the literal application of the provisions of this Ordinance would, without a Variance, result in practical difficulties for the applicant, as distinguished from mere inconvenience. Practical difficulties must include the following:
 - a. Reasonable Manner. Practical difficulties means that the property owner proposes to use the property in a reasonable manner not permitted by the zoning ordinance.
 - b. Unique to the Property. Circumstances exist relating to the physical character of the property that are unique to the property and that do not apply generally to other properties in the same zoning district. And these circumstances are not so general or recurrent a nature as to make it practical to provide, in the form of an amendment to this Ordinance, a general rule to cover them
 - c. Not Self-Created. The circumstances and practical difficulties that are the basis for the variance have not resulted from any act, undertaken subsequent to the adoption of this Ordinance or any applicable amendment thereto, of any party with a present interest in the property.
 - d. Not Alter Local Character. The variance will not alter the essential character of the locality or substantially impair public safety or welfare or property values in the area.

e. Economic considerations alone (or desire to increase the value or income potential of the land) shall not constitute practical difficulties if reasonable use of the property exists under the terms of this chapter.

COUNCIL ACTION

The City Council can do one of the following:

1. Approve of the attached ordinance.
2. Deny, with findings, of the attached ordinance.
3. Table the request for further review/study.

MEMORANDUM

Date: January 22, 2026
To: Honorable Mayor Herman and Members of the Van Meter City Council
From: Frannie Nielsen, Consultant Planner
Subject: Proposed Zoning Text Amendment – Accessory Dwelling Units

BACKGROUND

On May 1, 2025, the State of Iowa signed into law a bill for an act relating to county and city regulation of accessory dwelling units. The bill introduces a new subsection into Section 364.3, to amend the Iowa Code to require counties and cities to permit at least one accessory dwelling unit (ADU) on the same lot as a single-family residence. The bill outlines specific conditions for the construction and use of ADUs, including compliance with building regulations, size limitations (not exceeding 1,000 square feet or 50% of the main residence), and restrictions on local ordinances that may impose more stringent requirements than those applicable to single-family residences. Additionally, it specifies that if a manufactured or mobile home is used as an ADU, it must be converted to real property and assessed for real estate taxes.

The bill indicates cities cannot impose restrictions on accessory dwelling units that are more restrictive than those for single-family residences. Cities cannot require stricter standards for placement, appearance, or design, including building height, setbacks, lot size, frontage, lot coverage, density, or architectural requirements, nor can they require the accessory unit to match the main home's exterior design, roof pitch, or materials. They cannot impose additional rental regulations beyond state law, require extra parking or fees, mandate owner occupancy or familial, marital, employment, income, or age-based occupancy restrictions, or require separate utility lines unless necessary for metering. Cities also cannot apply different impact fees or development standards, require additional public street or sidewalk improvements, or extend review timelines beyond those for single-family residences.

The Van Meter Zoning Code states that “The regulations, restrictions and boundaries set forth in this chapter may from time to time be amended, supplemented, changed, or repealed, upon initial action by the Council ... provided, however, that no such action may be taken until after a public hearing in relation thereto, at which parties in interest and citizens shall have an opportunity to be heard.”

Below is a proposed Zoning Text Amendment to Section 165.25 to bring the Van Meter Zoning Regulations Ordinance into compliance with Iowa Law.

PROPOSED AMENDMENT

The proposed amendment is as follows:

Section 165.03

Section 165.03 of the Code of Ordinances is amended by adding the underlined text as follows:

Section 165.03 Interpretation and Definitions.

"Accessory dwelling unit" means an additional residential dwelling unit located on the same lot as a single family residence that is either attached to or detached from the single family residence.

"Attached" means a structure which is joined to another structure at one or more sides by a wall.

"Detached" means a structure which is entirely surrounded by open space on the same lot.

"Single family residence" means the same as defined by "dwelling, single-family," except to the extent that a single-family residence may share utility lines with the accessory dwelling unit if full utility access that includes a separate metering system for billing purposes can be provided to the accessory dwelling unit.

Section 165.04

Section 165.04 of the Code of Ordinances is amended by adding the underlined text as follows:

Section 165.04 General Regulations

14. Accessory Dwelling Units.

- A. A maximum of one accessory dwelling unit, either attached or detached, is permitted on the same lot as a single family residence in any district in accordance with the following conditions:
 - (1) An accessory dwelling unit shall not exceed one thousand square feet or fifty percent of the size of the single family residence, whichever is larger.
 - (2) Attached accessory dwelling units shall comply with all principal structure height and setback requirements of the district in which it is located.
 - (3) Detached accessory dwelling units shall comply with all accessory structure height and setback requirements of the district in which it is located.
 - (4) An attached accessory dwelling unit shall have a separate exterior entrance from the principal residence and also an interior entrance accessed from the principal residence.

- (5) If full utility access that includes a separate metering system for billing purposes cannot be provided to the accessory dwelling unit, then the city may require new or separate utility lines.
- (6) If a mobile home is used as an accessory dwelling unit, the mobile home shall be converted to real property by being placed on a permanent foundation and assessed for real estate taxes pursuant to section 435.26 of Iowa Code.

COUNCIL ACTION

The City Council can do one of the following:

1. Approve of the attached ordinance.
2. Deny, with findings, of the attached ordinance.
3. Table the request for further review/study.

"Single family residence" means the same as defined by "dwelling, single-family," except to the extent that a single-family residence may share utility lines with the accessory dwelling unit if full utility access that includes a separate metering system for billing purposes can be provided to the accessory dwelling unit.

SECTION 2. SECTION MODIFIED. Section 165.04 of the Code of Ordinances is amended by adding the underlined text as follows:

Chapter 165

Section 165.04 General Regulations

14. Accessory Dwelling Units.

- A. A maximum of one accessory dwelling unit, either attached or detached, is permitted on the same lot as a single family residence in any district in accordance with the following conditions:
 - (1) An accessory dwelling unit shall not exceed one thousand square feet or fifty percent of the size of the single family residence, whichever is larger.

- (2) Attached accessory dwelling units shall comply with all principal structure height and setback requirements of the district in which it is located.
- (3) Detached accessory dwelling units shall comply with all accessory structure height and setback requirements of the district in which it is located.
- (4) An attached accessory dwelling unit shall have a separate exterior entrance from the principal residence and also an interior entrance accessed from the principal residence.
- (5) If full utility access that includes a separate metering system for billing purposes cannot be provided to the accessory dwelling unit, then the city may require new or separate utility lines.
- (6) If a mobile home is used as an accessory dwelling unit, the mobile home shall be converted to real property by being placed on a permanent foundation and assessed for real estate taxes pursuant to section 435.26 of Iowa Code.

SECTION 3. REPEALER. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

SECTION 4. EFFECTIVE DATE. This ordinance shall be effective after its final passage, approval and posting as provided by law.

City of Van Meter – Surplus Property Disposal Policy

I. Purpose

The purpose of this Surplus Property Disposal Policy ("Policy") is to establish a standardized procedure for the identification, handling, and disposal of surplus, seized, and unclaimed property owned by the City of Van Meter ("City"), ensuring compliance with applicable state and local regulations and promoting transparency, efficiency, and fiscal responsibility.

II. Definitions

As used herein, the following definitions shall apply:

City Officials & Employees: Elected officials, board/commission/committee members, and all City employees.

IT Equipment: Devices containing electronic data or managed by contracted IT services, including computers, servers, phones, and storage media.

Surplus Property: Any City-owned item no longer needed or useful to a department, including vehicles, electronics, furniture, machinery, and office equipment.

Seized/Unclaimed Property: Items obtained by the Police Department through seizure, confiscation, or abandonment, subject to applicable laws.

III. Responsibilities

As they pertain to the subject Policy, responsibilities for department heads, the City Administrator and IT services are as follows:

City Administrator:

- Oversees disposal process and ensures Policy compliance.
- Approves disposal of items with estimated values of \$500.00 or less.

Department Heads:

- Notify the City Administrator of Surplus Property.
- Provide item details (i.e. photographs, description, estimated value, viewing availability, etc.)
- Maintain custody until disposal of the item is complete.
- Coordinate item disposal unless otherwise specified.

IT Services:

- Secure data wiping and disposal of IT Equipment.
- Physically destroy data storage components when necessary.

IV. Disposal Procedures

A. Notification & Documentation

- Departments, through their respective Department Head or designated representative, shall notify the City Administrator before disposal of property.
- Update all relevant City records (i.e. inventory, insurance, audit logs, grant documentation, etc).

B. Disposal Methods

Methods to dispose of property subject to this Policy include one or more of the following:

1. **Transfer to Other Departments**
 - Requires approval from all involved department heads and the City Administrator.
 - Exchange of service records and manuals is required.
2. **Trade-In**
 - Allowed when it provides return to the City, the value of which exceeds any remaining disposal method.
3. **Sale**
 - **Value Estimate:** Required from respective department head.
 - **Methods:**
 - Public auction (including other government auctions)
 - Internet auction platforms
 - Sealed bids or quotations
 - **Council Approval**
 - Required for items with estimated values of \$500.00 or more.
 - Scrap metal under \$3,000.00 may be sold without bids but still requires Council approval.
4. **Cannibalization**
 - Disassembly for parts is permitted when cost-effective, as determined by the respective department head, City Administrator, and/or IT Services.
5. **Transfer to Public Agencies or Charities**
 - Must first be offered to City departments.
 - Requires Council approval.
6. **Disposal of Valueless Property**
 - Items with no salvage value must be disposed of appropriately.
 - No item may be given to or salvaged by City Officials or Employees.

V. IT Equipment Disposal

- All IT equipment must be returned to contracted IT services.
- Flash drives and optical media may be disposed of by departments only if they never contained City data.
- Records governed by law must follow the City's retention policy.

VI. City Officials and Employees

- May bid on Surplus Property only when off duty and not acting in an official capacity.
- May not claim, salvage, or dispose of City property for personal gain.

VII. Unauthorized Disposal

- Personal use or unauthorized disposal of City property, including trash or recyclables, is strictly prohibited.
- Violations will result in disciplinary action, up to and including termination.

VIII. Disposal of City-Owned Real Estate

The disposal of real estate owned by the City of Van Meter shall follow the procedures outlined in **Iowa Code Section 364.7** ensuring legal compliance and transparency. The provisions of Iowa Code Section 364.7 are expressly incorporated herein by reference.

A. Required Process

1. Resolution of Intent

The City Council shall adopt a resolution stating its intent to dispose of the real property. This resolution shall include:

- A legal description of the real property.
- A general description of the real property (e.g., street address or location).
- The proposed method of disposal.

2. Public Notice and Hearing

- A notice of the public hearing shall be published or posted not less than **4 days** and not more than **20 days** before the hearing date.
- As more fully detailed in Iowa Code Section 362.3, notice of the public hearing shall be published in a newspaper of general circulation in the City.
- The notice must include the time, date, location of the hearing, and a description of the real property.

3. Public Hearing and Final Resolution

- The City Council shall hold a public hearing to receive comments.

- Following the hearing, the Council may adopt a final resolution authorizing the sale, lease (if over 3 years), or gift (only to a governmental body for public purpose).

4. Preparation and Execution of Deed

- Upon Council approval, the City shall prepare a deed to be provided to the buyer.
- The Mayor may be authorized to execute the deed on behalf of the City.
- The deed shall be delivered upon receipt of the purchase price.

5. Recording and Documentation

- The buyer shall record the deed with the Dallas County Recorder.
- The City Clerk may be required to provide certified copies of:
 - Resolution of intent
 - Affidavit of publication
 - Resolution authorizing sale

B. Determining Fair Market Value

- The City shall dispose of real property at **fair market value**, unless otherwise authorized by law.
- Methods to determine fair market value may include:
 - Independent appraisal
 - Sealed bids
 - Public auction
 - Realtor listing
- The City Attorney shall review the process to ensure compliance and fairness.

C. Restrictions

- The City may not dispose of real property by gift except to a governmental body for a public purpose.
- Any deviation from this process may result in legal or title complications.

Agenda Item #12

Resolution #2026-14 Adopting Unclaimed Property Policy

Submitted for: Discussion and Consideration

Summary: The City of Van Meter is required to comply with Iowa's Unclaimed Property laws, codified in Iowa Code Chapter 556. City departments may hold unclaimed or abandoned property such as utility deposits, uncashed checks, refunds, or other intangible property. This agenda item considers authorization for the City to report and remit unclaimed property to the State of Iowa in accordance with statutory requirements and the Unclaimed Property Holder Manual.

Recommendation: Approve a resolution authorizing compliance with Iowa unclaimed property reporting and remittance requirements.

Sample Motion: Motion to approve Resolution #2026-14 Adopting Unclaimed Property Policy.

RESOLUTION NO. 2026-14
A RESOLUTION ADOPTING UNCLAIMED PROPERTY POLICY

WHEREAS, the City of Van Meter, Iowa, may hold unclaimed or abandoned property, including but not limited to uncashed checks, refunds, utility deposits, and other intangible property; and

WHEREAS, Iowa Code Chapter 556 requires holders of unclaimed property to report and remit such property to the State of Iowa after the applicable dormancy periods; and

WHEREAS, the Iowa State Treasurer administers the unclaimed property program and has issued guidance through the Unclaimed Property Holder Manual; and

WHEREAS, compliance with Iowa unclaimed property laws promotes transparency, accountability, and the return of property to rightful owners; and

WHEREAS, the City Council finds that authorizing compliance with these requirements is in the best interest of the City;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Van Meter, Iowa, as follows:

1. Authorization to Report and Remit. The City of Van Meter is hereby authorized to identify, report, and remit unclaimed property to the State of Iowa in accordance with Iowa Code Chapter 556 and applicable administrative rules.
2. Authorized Officials. The City Clerk, City Administrator, and other designated staff are authorized to prepare, execute, and submit all required reports, documentation, and remittances related to unclaimed property on behalf of the City.
3. Effective Date. This Resolution shall be in full force and effect from and after its passage and approval as provided by law.

PASSED AND APPROVED by the City Council of the City of Van Meter, Iowa, this 9th day of February, 2026.

1. Set-Off Program

Staff submitted a request to join the Set Off Program managed by the Department of Revenue. Staff submitted the initial questionnaire. This will allow staff to submit outstanding utility bill payments that were never received after a utility account was issued a final bill. Currently, we are only able to put a lien on the property if a bill is outstanding, which makes the current homeowner liable for the unpaid bill. With the set off program, the utility account holder with the outstanding amount will be charged for their outstanding balance. Staff will start collecting social security numbers from new account holders in order to start the Set Off program. Staff is waiting for direction from the Department of Revenue before moving forward.

2. Meetings and Collaboration

- a) Staff has been working on the FY26 budget.
- b) Staff has been meeting and collaborating with Invision for the 601 Main building. Staff followed up with Eocene for an environmental survey to be conducted at 601 Main.
- c) Staff has been meeting with the City Engineer to plan capital improvement projects and funding.
- d) Staff is still working through software issues with Caselle. Multiple tickets have been put out for various modules within the software.
- e) Mark and Travis met with Lee Township to discuss issues that have been occurring. A resolution was made, Lee Township wrote a check to the City, and plans to work with us going forward.
- f) Fatino sent an email informing staff that the appeal time on Fat Randi's expired. Their office filed the change of title and an affidavit of possession which means that the City has the title. Locks have been changed. We will need to determine what we wish to do with the property.

3. Audit

- a) Staff finished up work with the auditors to complete their recommendations and transfers as noted. The auditors should be at the February workshop to present their findings for the FY25 audit.
- b) City Administrator Faust had an initial review with the auditors over the draft of the audit.
- c) Staff submitted unclaimed property in the form of payroll and vendor checks that were never cashed. All unclaimed property up until September 2024 was submitted to the Great Iowa Treasure Hunt. The amount of unclaimed property submitted to the Great Iowa Treasure Hunt was \$1,516.64. This was done due to directions from the auditors.

d) Rental Inspections

- a) Reinspection notices were sent to 528 Pleasant, 210 Wilson Apt 101, and 804 Elm to be reinspected by the end of January. Staff has heard from 210 Wilson and 804 Elm confirming they will schedule their reinspection, but the rental inspector has not heard from any of these properties to schedule the inspection. They were issued a one year rental certificate due to failing the first inspection. If they pass the inspection this time around, their rental certificate will be issued for three years.

Public Works Report

February, 20206

- 1: Had RD McKinney abandon the water service to 601 Main Street. I-80 Concrete will be pouring the patch back when weather permits.
- 2: Met with City Wide Heating and Cooling to get a quote to evacuate the condensers at 601 Main in preparation for demolition. Along with that will be a quote to move a furnace to my shop.
- 3: I have been in talks with MidAm on the possibility of getting natural gas service to my shop.
- 4: Have JCI in line to pour the concrete patch on Arlington this week. Possibly on 2/10
- 5: Built a 4x8 rolling bench worktop for shop use.
- 6: We have replaced many meters. We are down to about our last 40. A letter will be sent one more time giving a deadline. It will be stated that if the deadline is not met service interruption is likely as we will no longer effectively be able to meter the water being sold.
- 7: I have been going through records at the shop of monitoring reports and refiling in a more orderly manner. I have also been throwing documents that are deemed necessary for keeping away.
- 8: We have installed a camera in City Hall entry to monitor traffic for the food pantry.
- 9: I have lined up and solidified a plan to move forward for a jetting and cleaning of sewers. I had one in place last year but the contractor abruptly went out of business. Smith's Sewer will be our contractor moving forward.
- 10: Submitted monthly reports for wastewater and water works.
- 11: Inspected the property at 415 Grant St. Also installed 9 new door knobs to the property to ensure limited access to city employees only in the future.

This month was busy with webinars, reading challenges, and Summer Reading planning. We are making progress on our Summer Reading 2026 events calendar. We hope to have all events scheduled and calendars ready for publication by the end of February. It will be a busy and exciting summer program this season!

Winter Reading Bingo began January 19th and will run through Valentine's Day. We have bingo categories for both children and adults. Winter Reading challenges are a great way to keep patrons involved during the colder months. Those who turn in completed bingo cards will be entered into a drawing for various prizes.

Our 26 in '26 Reading Challenge will run from now until December 31st. We would like our patrons to read 26 books that are relevant to #America250. Our reading log offers suggestions, or they can choose books on their own. We are excited to see how many patrons complete the challenge!

As always, thank you to our mayor, city council, city staff, and community for supporting us!
